Pietas in a scene from the book

Dessy ap Lorectic - twin to Pietas

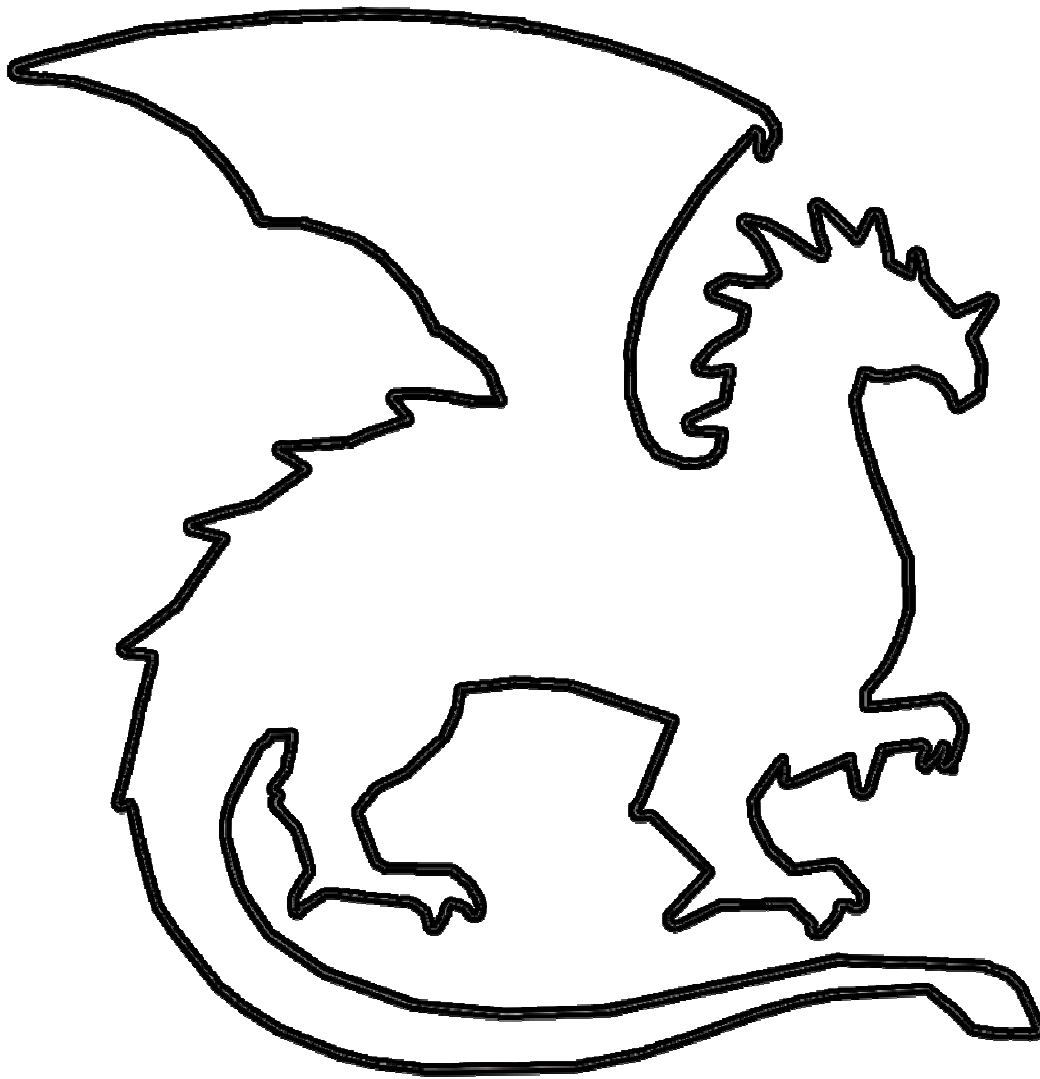

In Bringer of Chaos, Pietas dreams about dragons

Dessy dreams dragons that are ruby and gold

Dragon symbols and images are used throughout Bringer of Chaos

Pietas dreams dragons in color and high detail

In Bringer of Chaos, dragons show up in many motifs.

Pietas dreams dragons of silver and teal blue. Although not mentioned in this book, the dragon always carries three arrows in his hind left foot. Pietas will meet the dragon in a future story. His name is Stormsinger.

Six, the human warrior introduced in Bringer of Chaos: the Origin of Pietas

PIETAS

Two enemy warriors: one human, one immortal. Different in belief, alike in spirit, marooned together on an alien world. Imprisoned and in isolation over a year without food or water, the immortal Pietas survives. Though broken in body, his intellect and will are intact, thanks to Six, the special ops warrior who captured him, but kept him sane. The warrior had no hand in his deprivation and, like Pietas, was betrayed by his own kind. When Pietas is abandoned on an alien world with nothing but his honor--and Six--he must find and rejoin other immortal exiles. After centuries of war, Pietas detests humans and kills them on sight, but he is too

damaged to continue on his own. Though he despises needing help, he allows Six to nurture and restore him to full strength, and then accompany him. As they cross the planet together on foot, the immortal begins to wonder if he has found his first human friend, or if Six is loyal only because Pietas could keep the others from tearing him to shreds. This human will either be his closest living friend, or the one whose betrayal will trigger all-out vengeance by the most powerful immortal ever born. Immortal. Warrior. Outcasts. Traitors took everything. Except their honor.

Jamin Allen is the founder of Nimajination Studios, and is known as "Volgraza" on the popular YouTube channel V^2Gamers. The site features game play, advice, update information for games such as SpaceEngineers, and other games on Steam. He is also my son.

Jamin is married and lives in south Georgia. He has two sons. His professional training as an illustrator began at the Art Institute of Atlanta, but he knew he wanted to be an artist from the time he was five. His favorite gifts on birthdays and at Christmas were always art supplies.

His site, V^2Gamers features his original art and videos he has created to illustrate aspects of various games. He narrates and does creative voiceovers.

Jamin has collaborated on many aspects of my website and my books, and he is the co-illustrator for the Tarthian Empire Companion. The drawings of the Kyrenie firestorms, the FIST (Facility for Imperial Ships and Transports), and the logos for the rock groups in my books were all conceived and created by Jamin.
